2011

**Douglas W. Eberle
Not-For-Profit Board
Governance Series**

Leading Philanthropy ~ Enriching Lives

United Way of Greater Lafayette

A continuing education series designed to improve the effectiveness of Not-For-Profit Corporations by strengthening boards of directors.

The Douglas W. Eberle Not-For-Profit Board Governance Series was established in 2008 to strengthen and sustain Not-For-Profit Boards in Tippecanoe and the surrounding counties. NCHS is partnering with The Community Foundation of Greater Lafayette and United Way of Greater Lafayette to present the education series.

The purpose of this program is to build knowledge about responsible oversight and governance, and effective responses to policy and management issues faced by today's Not-For-Profit volunteer leaders. The continuing education series is designed for, and limited to, Board volunteers and Executive Director teams. It is our intention that every organization have at least one Board member represented at each session.

Leading regional and national instructors, with expertise in topics relating to board governance and leadership, will present information essential to guiding and sustaining Not-For-Profits. A networking reception with refreshments will conclude each session.

Apply as soon as possible to be considered for the 2011 education series. Selection is competitive. A limited number of seats will be available. Priority will be given to not-for-profit organizations with a Board member/Executive Director team from Tippecanoe and the contiguous counties. Priority will be also be given to those who apply for the entire Series. Past attendees may request to attend specific sessions, and will be given priority over those who have never attended.

The registration fee is \$150 for the 2011 series of 10 sessions. Individual sessions are \$20 each.
